At Ponce Inlet Realty our Daytona Beach area oceanfront vacation rental homes and condominiums are offered with a high specification & attention to detail to ensure your stay is both relaxing and pleasurable. Whether you are planning a family vacation or a romantic weekend for two, you'll find what you need within our extensive selection of vacation rentals homes with boat slips, condominiums and hotels. You name it: oceanfront, river front, bay side, short term, long term, in-between, we are sure to have what you are looking for.

The temperature in the area ranges from an average of 58 degrees Fahrenheit (20 degrees C) in winter to an average temperature of 79 degrees F (31 degrees C) in the summer - perfect for fun in the sun all year round. The same ocean breezes that keep the climate mild in winter provide cooling winds in the summer.
